

Women & Islam

**Woman are regarded
as possessions**

Mohammad had sixteen wives, two concubines and four women of uncertain relationships. Mohammad received a convenient revelation from Allah to exempt him from the Quranic “four wife rule” (Qur'an 4:3). Mohammad married his daughter-in-law (Bukhari 9:516-518) and declared to Muslims that there is no problem with a Muslim marrying his son’s wife.

In some Islamic countries under Shari'a Law women may not vote or even drive a car.

“...As to those women on whose part you fear disloyalty and ill-conduct, admonish them (first), (next), refuse to share their beds, (and last) beat them (lightly)...” Qur'an 4:34

Note: the Arabic word for beat is the same word as how you would treat a slave or a camel.

Islam and domestic violence

Mohammad beat his wife, as is documented by Islamic sources (Sahih Muslim Hadith 2127), so a Muslim who beats his wife is therefore following “correct” Islamic behaviour, as all Muslims are taught to follow the Prophet’s example.

Islam says women are deficient

Mohammad taught that men were superior (Qur'an 2:228) and in Islamic (Shari'a) law, a woman's testimony is worth half that of a man because a woman's mind is considered to be deficient (Qur'an 2:282, Bukhari 3:826). Women are only entitled to inherit half of what men can inherit (Qur'an 4:11).

Allah will torture single mums

Men can divorce their wives in Islam whilst women have no such right (Qur'an 2:228). Islam teaches that the majority of people in hell are women (Bukhari 1:28, 1:301 and 2:161) and that women who have children out of wedlock will spend eternity suspended on hooks by their breasts (ch.5, Sirat Rasoul Allah).

A Muslim majority in Australia?

We do not want to see Australia face the same problems occurring in Europe. In Western countries with large Muslim populations there is always widespread disharmony and division.

If Islam and Shari'a Law gain a foothold in Australia, then women would be relegated to the status of second-class citizens. Say "NO!" to Muslim schools, say "NO!" to Muslim immigration.
